LUXURY FOR THE SOUL

[OURHABITAS.COM/BACALAR](https://ourhabitas.com/bacalar)

An aerial photograph of a tropical resort. In the foreground, a large, multi-level wooden deck extends into a clear, turquoise lagoon. The deck is furnished with several lounge areas featuring white and orange cushions. To the left, a long, covered structure with a thatched roof serves as a bar or dining area. In the background, several A-frame buildings with steeply pitched thatched roofs are nestled among lush green trees and palm fronds. A narrow wooden path winds through the vegetation. The overall scene is serene and idyllic, capturing the essence of a tropical sanctuary.

An aerial photograph of a traditional village, likely in a tropical or subtropical region. The village features several houses with steeply pitched, thatched roofs made of dried palm fronds or similar natural materials. The houses are built on a lush, green landscape. A winding river or stream flows through the center of the village, crossing a simple wooden bridge. The river is bordered by a low, rustic stone or concrete wall. The surrounding area is covered in dense, tall grass and some scattered trees. The overall scene depicts a peaceful, rural community.
